

ST. JOSEPH CATHOLIC SCHOOL
APPLICATION FOR SCREENING/ADMISSION – 2008-2009

The first step in seeking admission to St. Joseph Catholic School is completion and submission of this form. For families seeking admission for more than one child, a separate form must be submitted for each child. A check in the amount of \$50 [made out to St. Joseph Catholic School] must be attached to each form. This fee is assessed to cover the costs of in-coming student screening and other administrative costs. The application fee is non-refundable. Parents will be contacted by phone to schedule in-coming student screening. Screening is designed to match a child's developmental age/needs with the appropriate school program. All applicants will be screened prior to any notification of acceptance. Upon acceptance, Registration Forms will be completed and submitted; registration and student fees will be paid; tuition payment will be determined; and the child will be formally included as a student at St. Joseph Catholic School. Questions, clarifications, and concerns are properly addressed by calling the school office at [972] 234-4679.
